

## The Cave of Han reveals itself...

...in a stunning new light.

- Brand new, stunning lighting throughout the Cave
- «Origin», a brand new and breathtaking sound and light show

Hop aboard the **century-old heritage tram** that will take you to the cave entrance. True to the time-honoured tradition, your English-speaking guide – dressed in period costume – will take you on a voyage of discovery through a **fairytale world** of its own where **time seems to stand still**.

Walk through 2km filled with secret galleries decorated with **stunning**, millennia-old concretions, admire chambers the size of cathedrals, and discover the **underground river** meandering its way through the Caves.

At the heart of your visit, plunge into the brand new sound and light show «**Origin**», created by Luc Petit, a well-known Show Director. A fabulous immersive show that will take you on a vertiginous journey evoking the origins of the world and the Cave's creation! During the season, you can admire the **guide - torch in hand** – coming down from the gigantic Dome Room.

In the depth of nature...

## The Caves of Han

#### **Practical Information**

DURATION 1h45

TEMPERATURE 13°C

distance 2km

508

The Domain of the Caves of Han is at the heart of Belgium's very first Geopark, that was recognized as a UNESCO Global Geopark in April 2018.

## + PrehistoHan

A fascinating exhibition taking you on a journey through the ages.

Travel through 9,000 years of history and discover the fabulous archaeological treasure of the Caves of Han, uncovered on the riverbed.

# Visit the Wildlife Park and its vast landscapes

- 250 hectares of pure nature, a haven of tranquillity
- Canopy walkway winding its way through the treetops
- Breathtaking views of the Lesse's former river valley
- New living area for our bears

#### ...The Park is all yours!

Either on foot or by **Safari-bus**, discover beautiful, unspoiled nature. Travel through vast landscapes that were shaped and carved out by the **river Lesse** over the course of thousands of years. From the top of the hill, enjoy a breathtaking view of the **dry river valley**.

Admire our exceptional **fauna** from up close. The main European species have found refuge in the Park. You can admire **stags**, **fallow deer**, **wild boar**... but also rare or protected species such as the **tarpan**, the **Przewalski horse** or the **European bison**.

The Park also boasts a number of major predators such as **the white and grey wolf**, the **Carpathian lynx**, the **wolverines** and the **brown bear**.
